To Jim;

The sweetest, kindest, most considerate guy I have ever met. The times we've had together I will never forget. The Dances, movies we have gone to, bowling, roller skating and just walking through the park goofing off.

To someone I'll never forget and with all my heart felt thoughts I would like to say: Thank You, for the wonderful times we have had together, and for doing so much for me;

also Good Luck in the navy, don't get washed overboard, and come back home to your family, and ones who love you.

Jim darling; you will stay in my heart and memory always; and though we may drift apart in future may we stay true friends.

Whatever I have written, what ever I shall write, what ever I have done, and will do I pray that you will always remember me and that you will never hate me.

The following verse is a verse from a song I once sang at my sixth grade graduation, it is meant and felt with all my heart.

"May the Good Lord Bless and keep you, whether near or far away, may you find that long awaited golden day today. May your troubles all be small ones and your fortunes ten times ten. May the Good Lord Bless and keep you till we meet again.

May you walk with sunlight spinning and a bluebird in every tree, may there be a silver lining back of every cloud you see. Fill your dreams with sweet Tomorrows never mind what might have been. May the Good Lord Bless and keep you till we meet again."

Love Always and Forever

Anne

P.S. Good Luck in all future years at whatever you do.

DEDICATION

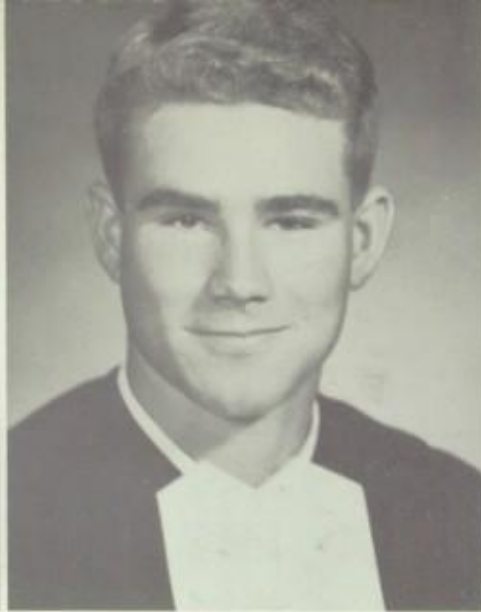

WE, THE FIRST SENIOR CLASS OF LA SALLE HIGH SCHOOL, DEDICATE THIS FIRST ANNUAL TO BROTHER R. CELESTINE, OUR PRINCIPAL, in recognition of the fact that Brother Celestine gave freely of himself to us during these four years in the same true spirit of fraternal charity professed by St. La Salle himself. In devoting his life to the education of youth toward the Christian ideal, Brother Celestine has provided for the students of La Salle a practical example which we must carry on hereafter if we are to maintain our standards as Christian men. Looking back with just pride from which we are about to emerge, it is evident that his efforts have reaped generous rewards. Brother Celestine has enabled us to establish a precedent for future generations of students to follow which marks the way toward practical Christian life with intellectual knowledge, incorrigible faith, and living charity. For equipping us for the life ahead with these invaluable aids, we thank you, Brother.

Student Council

TO THE FACULTY AND STUDENT BODY OF LA SALLE HIGH SCHOOL

During the past year it has been an honor and a privilege to serve as the first Student Body President of La Salle High School. It has been a most memorable year for me.

I would like to take this opportunity to thank all the members of the faculty and student body for the unselfish cooperation given to our school.

The art of working together toward a common goal has been well learned by all of us at La Salle and I am sure that we will carry this powerful lesson with us in the years ahead.

It has been said, "The mind, the heart and the spirit must all be nurtured and broadened to produce the truly educated man." We, of La Salle, can be proud that this concept of complete education is fostered and fulfilled at our school.

I sincerely thank you,
Jim Dirmann

The Idyll

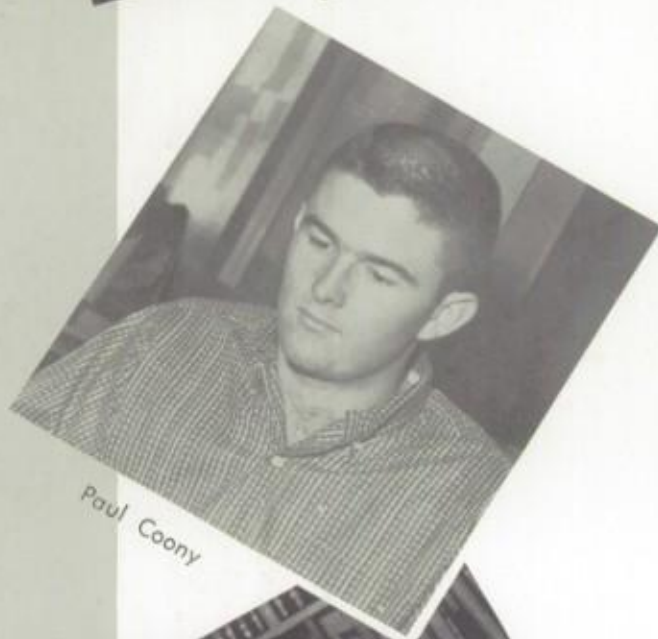

Brother Timothy

Being a relatively young school, La Salle must forge a worthy reputation for itself among it's neighbors. The Idyll, our bi-annual literary production, has done much to foster a welcome attitude of respect in other schools and to stimulate intellectual endeavors within our own student body. Pictured here are some of the most consistent contributors from each class.

They have subsidized the team buses to both basketball and baseball games. The Mothers' Auxiliary of the Parents Club netted over one thousand dollars from the sale of Christmas wreaths. This money will go toward the purchase of curtains for our new gym stage. Much of the progress of our school has come from the valuable assistance of the La Salle Parents Club.

A few of the many wreaths which the mothers gave to raise money for the gym curtains.

Throughout the past four years the La Salle Parents' Club has cooperated with the faculty and students in many important school activities.

Last year the parents formed a committee to assist the students in working out the details of the first junior prom. Also, the Parents Club paid for the curbing of the track. This year the club has a membership of over six hundred parents.

Grammar School Tournament

The Lettermen's Club sponsored this year its second Annual Grammar School Basketball Tournament. Holy Family, St. Felicitas and Perpetua, and Holy Angels took first, second, and third places respectively. Dennis Burke, Sid Danenhauer, Anthony Kane, Bob Brinton, Richard Miller and Fred Hughes all gave much of their time to make this tournament a success.

The junior class under its Moderator, Brother Mel, sponsored a rummage sale to get the necessary funds to excavate and landscape the area in front of the gym. John Praisler's truck was of great assistance in transporting the hundreds of articles sold. Five hundred dollars plus the donated labor of the juniors promises to make the entrance way of the gym something we all can be proud of.

Mr. Duffy Lewis in his office.

La Salle has set a precedent by achieving a commendable athletic standing in its first four years of existence. Spearheading the movement to put La Salle "on the map," the coaching staff has organized the various teams with the result that the Lancers continue to rank with the best in each sport. Special note must be given to Mr. Duffy Lewis, who has not only coached basketball and baseball teams, but who has been the organizing factor behind our entire athletic program.

In their first season as a four-year varsity squad, the Lancer netmen promised to revenge defeats suffered during their fledgling years. Jim Smith and Brett Horn, playing first and second respectively, led the Lancers to an early win over their only league rivals, the Cantwell Cardinals. There were more victories to come, however, as the net squad aimed at the CIF playoffs.

The junior netmen, coached by former net star Bill Burke, indicated promise of a successful season by downing Mark Keppel 6 to 3. Coach Burke lists Bill Hall and Larry Gonzales as star point-gainers in the victory and promised that they would repeat their fine performance in future matches.

The Lancer Varsity commenced the season in brilliant fashion by copping the Consolation Trophy in the Edgewood Invitational Tournament at Covina. Sid Danenhauer averaged eighteen points per game to earn a berth on the All-Star team in the twenty-eight-school tourney. Early in the season Danenhauer, Kane and Ford combined shooting efforts with the sharp rebounding of Burke and Brinton to provide a team that seemed a sure contender for the Parochial League crown. Cantwell and Mater Dei proved formidable opponents, however, each handing the Lancers a pair of bitter defeats.

The Lancers rolled over Bishop Amat, St. Paul's and San Gabriel Mission to end the season with an eight and six record and third place in the league. Highlighting the season were a pair of brilliant victories over the St. Francis Knights, the Lancers' traditional cross-town rivals.
